

Awards 2020

Recent developments in Materials Science

Mustafa Khamis

American University of Sharjah, E-mail: mkhamis@aus.edu

The organising committee members of [20th International Conference on Materials Science and Engineering](#) have finally revealed the theme for this year's [Mat Science 2020](#) conference and it is going to be "Advanced Materials for Sustainability; Exploring new insights and Innovative Technologies". Conference Series and the organising committee of [Mat Science 2020](#) acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of [Materials Science](#) has decided to introduce various achievement awards for all the participants. [Mat Science 2020](#) conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at [Mat Science 2020](#)

Expert Level (Scientific Service Achievement Award):

The award is meant to the experts who have made exceptional contribution in the field of [Materials Science](#) Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award)

The distinguished "Research Contribution Award" at Professional Level will be awarded by the Organizing Committee of [Mat Science 2020](#) to the participants of [20th International Conference on Materials Science and Engineering](#) Summit. The Award for professional or academic research activity acquired in Materials Science research field in the public or private sector. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of [Polymer Science](#).

Scholar Level (The Upcoming Researcher Award)

[20th International Conference on Materials Science and Engineering](#) offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of [Nano Biomedicine](#). Materials Science & Engineering conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes

based on the theme of the conference along with 5 minutes panel discussions.

Deserving nominees can be awarded online as well.

Women Scientist (The Women of Science Award)

[Mat Science 2020](#) provides a unique platform with "Women of Science Award" for women scientists for presenting latest research projects with an in-depth analysis. [Mat Science 2020](#) invites Women scholars and scientists from Materials and Engineering fields. The committee encourages women scientist's through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of [Smart & Hybrid Materials](#).

Outstanding speaker and Best Keynote Speaker in Global Pharmacovigilance 2020

The award "Outstanding speaker" is offered by the [Mat Science 2020](#) to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in [Ceramics and Composite Materials](#) and [Materials in Green Technology](#). The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Materials Science.

The award "Best Keynote Speaker" " is offered by the [Mat Science 2020](#) to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in [Metallurgy](#), [Metal Science](#) and [Materials Chemistry](#) . The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Materials Science.

Best Poster Presentation in Global Pharmacovigilance 2020 American

[Mat Science 2020](#) (To be changed) comprises many poster presentations and the speakers designated as poster judges will nominate one poster presenter for the Best Poster Presentation Award. The Conference aims to provide a platform for all the promising graduates, scientists and budding researchers to present their research work, views and different aspects of the theme [Mat Science](#). The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of [Nano Biomedicine](#). Deserving nominees can be awarded online as well.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Global Pharmacovigilance 2020

The award is designated for the Masters/Ph.D./ Post Doctorate students who can present their thesis and projects or have executed the same for the long term excellence in the field of [Materials Sciences](#). Deserving nominees can be awarded online as well.
