Biosimilar and Pharmaceutical Sciences Conference Committee is glad to announce "[World Congress on Biologics and Biosimilars](#)" during **November 16-17, 2020** in **Kyoto, Japan** by focus on the theme, "[Organic products meet: current scenario and future prospects Pharmaceutical Sciences](#)". Prestigious Award for Young Research's at Biologics Meet 2020-Discovering New Exploration in Biosimilar and Pharmaceutical sciences field.

[Biologics Meet 2020](#) developments are maintaining their momentum. [Biosimilar and Pharmaceutical sciences Conference](#) program delves into strategic discussions.

Biologics Meet 2020 Young Scientist Awards

Biologics Meet is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Biosimilar and Pharmaceutical sciences.

Biologics Meet 2020 Conference will be an investigation of new research Innovation in the field of Pharmaceuticals sciences and spread the most recent advancements in heart disease prevention and rehabilitation. Discussion on new technology advancement in the field of Pharmaceuticals sciences, current practices in Biosimilars, Emerging Biosimilars In Therapeutics, Current Challenges in Developing Biosimilars, Regulatory Approaches of Biosimilars, Pharmacovigilance challenges in Biosimilars, Globalization of Bio Similar, Clinical Development of Biosimilars, Bioequivalence assessment, Biosimilars Research Pipeline, Intellectual Property Rights, Brexit Effect on Biosimilar, Drug Delivery and Development, Current Agency Expectations for Approval for Biosimilars, Biological Medicine, and more.

Encounter the target market with members from across the globe, committed to learn about novel technologies and innovations in Biologics and Biosimilars. This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the advancements in Biologics, Biosimilars Imaging, and Biologics Regeneration and in different fields of Pharmaceutical sciences by receiving name recognition at this 2-days event. World-eminent speakers, most recent researches, latest treatment techniques and the

advanced updates in Pharmaceutical sciences are the principal features of this conference.

Eligibility Criteria for Young Scientist Awards: Biologics Meet 2020

The Biologics Meet 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.

Judging Criteria

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the Biologics Meet 2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Biologics Meet 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to chemistry@expert-meetings.com along with the online application at the Biologics Meet 2020 Award page.

Presentation

This award will be presented at Sydney, Australia during Biologics Meet 2020 conference.

About Hosting Organization: Conference Series

Conference Series LLC LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
